

Regular Member Benefits

Members of the Canadian Meat Council:

- receive timely updates on regulatory amendments, inspection issues, and technical matters;
- participate in the development of Council / industry positions on issues relevant to federally inspected meat processors;
- meet with Government agencies such as the Canadian Food Inspection Agency and Health Canada, thereby communicating industry positions and influencing regulations;
- work cooperatively with other members to resolve common issues; and
- have access to the knowledgeable Council staff, who are able to assist companies with individual regulatory issues.

Regular Members have full membership privileges, including:

- participation on Board mandated Committees such as Beef, Pork, and Technical;
- voting rights on all issues forwarded to members, and at the Annual Business Meeting;
- eligibility for election to the Board of Directors and Executive Committee;
- registration for conferences and symposia at a reduced member rate;
- entitlement to the member rate at American Meat Institute educational events;
- automatic membership with the Canadian Meat Science Association and eligibility for membership with Canada Pork International; and
- invitations to Council social events: Sheep's Head Fishing Derby, Western Golf and Canadian Meat Invitational Golf Tournament.

Correspondence to members comprises of:

- bi-monthly Member Bulletin and Technical Update;
- information letters, industry news and developments; and
- access to the members' only section of the Council website.

The contribution of Canadian Meat Council members serves to influence and shape the future of the meat sector.

Become a member—ensure that your company's voice is heard!

Associate Member Benefits

Associate Member firms have the opportunity to:

- make key sales contacts with the meat industry;
- obtain up-to-date technical and regulatory knowledge;
- contribute to the development of industry positions;
- build contacts with various government departments and agencies;
- contact Council staff to assist with regulatory issues; and
- enhance your business reputation at home and abroad.

Associate Member privileges include:

- participation on Board mandated Committees such as Technical and Social Events;
- eligibility for election to the Board of Directors;
- representation at the Annual Business Meeting (non-voting);
- registration for conferences and symposia at a reduced member rate;
- entitlement to the member rate at American Meat Institute educational events;
- automatic membership with the Canadian Meat Science Association and eligibility for membership with Canada Pork International; and
- invitations to Council social events: Sheep's Head Fishing Derby, Western Golf and Canadian Meat Invitational Golf Tournament.

Correspondence to members comprises of:

- bi-monthly Member Bulletin and Technical Update;
- information letters, industry news and developments; and
- access to the members' only section of the Council website.

Associate Members benefit from networking and interacting with Regular Members.

Attendance at social events, conference and symposia allow Associate Members to connect with members and acquire knowledge on industry issues.

A direct link of the associate companies' corporate page through the Council's web page offers further exposure.

Membership Rate Card 2010

The membership of the Canadian Meat Council falls into two distinct categories.

A. Regular Member

Meat packers and processors operating plants registered under the Canada Meat Inspection Act and Regulations or an equivalent federal legislation of a foreign government recognized by Canada.

The annual membership fee is based on a formula involving the number of all employees in a company, including production, administration, sales, etc.

Annual fees are \$34 per employee. The minimum is \$3,570 if there are fewer than 106 employees. The maximum annual fee is \$94,000.

Regular member fees are invoiced quarterly around the start of each quarter.

B. Associate Member

A firm supplying goods and services to the regular members such as ingredients, casings, packaging, equipment, trading services, sanitation supplies, consultants and financial institutions.

The associate member annual fee is \$3,570 per firm, invoiced quarterly around the start of each quarter.

Please note that all membership fees are in Canadian currency.

- English
 French
 Both languages

Who we are...

Established in 1991, Canada Pork International is the export promotion agency of the Canadian pork industry. It is a joint initiative of the Canadian Meat Council, representing the pork packers and trading companies, and of the Canadian Pork Council, which is the national hog producer organization. The Canadian pork industry is committed to customer satisfaction and a desire to diversify and expand export markets through Canada Pork International which has been specifically established to:

- provide foreign customers with information on Canadian pork products and on the Canadian pork industry;
- work with the Canadian Government and our trading partners to resolve specific foreign market access issues impacting on Canadian pork exports;
- develop, coordinate and implement the generic international promotional efforts of the Canadian pork industry; and
- keep the Canadian industry apprised of changes taking place in export markets.

Accordingly, the activities of Canada Pork International are primarily focused on organizing promotional activities in our priority markets, developing promotional material, investigating and reporting on export market opportunities and finally, but not least, on informing our foreign customers on the availability of Canadian pork products and on potential suppliers.

The benefits of membership...

- * Attend Canada Pork International activities abroad and benefit from financial assistance to participate in fairs and seminars.
- * Financial assistance for travel (incoming and outgoing missions).
- * Be listed in the Canada Pork Directory which is used as the official directory for Canadian pork exporters.
- * Receive the monthly newsletter.
- * Receive monthly pork export statistics in addition to the provincial export statistics every six months.
- * Receive trade leads.
- * Promotional materials, such as the Canadian Pork Buyer and the Pork Export Cut Chart, available to you in several languages.

Updated March 2010

Canada Pork International Rate Card 2010

Please note that only Canadian Meat Council members are eligible for membership with Canada Pork International in categories A, B and C.

Canada Pork International membership is separated into four distinct categories.

A. Fresh, Chilled and Frozen Pork Packers

Pork meat packers operating plants registered under the Canada Meat Inspection Act and Regulations and members of the Canadian Meat Council.

The annual membership fee is based on the number of pigs slaughtered per year. The formula used in 2009 was 1.4 cents per hog slaughtered up to a maximum of \$52,000. The minimum annual fee is \$1,000.

B. Pork Processors

Pork meat processors operating plants registered under the Canada Meat Inspection Act and Regulations and members of the Canadian Meat Council.

Annual fee is \$6,000.

C. Trading Companies

Pork meat trading companies that are members of the Canadian Meat Council.

Annual fee is \$6,000.

Companies eligible for membership in categories A, B and C are invoiced annually in April by the Canadian Meat Council. All cheques should be payable to the Canadian Meat Council.

D. Allied and Associate Members

Canadian hog marketing agencies, allied government and allied associate members are invoiced directly by Canada Pork International as the members of this category are not required to also hold membership with the Canadian Meat Council.
