

## **Canadian Meat Council Welcomes New President**

### **NEWS RELEASE**

**Halifax, Nova Scotia May 5, 2011** - At the annual general meeting on Thursday, May 5, 2011 Mr. Scott Entz was elected as the new President of the Canadian Meat Council.

Scott is the Business Leader for Cargill Beef Canada in High River, Alberta.

A 24-year veteran of the meat industry with considerable experience in providing technical leadership of beef, pork, and further processing facilities, this is Scott's first term as Canadian Meat Council President.

He began his career with Cargill leading construction projects to expand Cargill's beef processing capabilities. He went on to lead the Cargill Corp Meat Engineering team which had the responsibility for providing technical leadership to 6 beef facilities, 2 pork, and 3 further processing. Scott then became the VP, General Manager of the Friona, Texas Beef facility. He later moved back to Alberta to settle down as the VP and GM role in High River with his wife and two children.
